### **Terms & Conditions**

#### **Coverage Details:**

Even if CDW is taken out we will still need to hold bank details and the right to take up to \$250 for misuse of the vehicle or camping equipment.

- The CDW covers accidental damage, including incidents in car parks, stone chips etc.
- It does not cover negligence towards the vehicles and camping equipment.
- The CDW only covers one-wall side puncture on the vehicle.

#### **Responsibility:**

- The hirer is responsible for any damages not covered by the CDW.
- Negligence towards the vehicles and camping equipment is not covered and will be the responsibility of the hirer.

#### **Claim Process:**

- In the event of an incident, the hirer is required to report the incident promptly to Black Leopard, where possible with photographic evidence.
- The claim process will be initiated, and the terms of the CDW will be applied to assess the coverage.

#### **Disclaimer:**

- The CDW is designed to provide coverage for accidental damages, but certain exclusions and limitations apply. By selecting a CDW option, the hirer acknowledges and agrees to abide by these terms and conditions. For any queries or clarifications, please contact Black Leopard.
- For both insurance options above, if the vehicle is damaged beyond repair, the hire is terminated.
